

Donation IDEAS for HEARTWOOD HOEDOWN 2024

*\$200 or greater value
Deadline April 30th

Visit a business you
know & support

01

Provide them the letter with Heartwood Foundation's 501c3 tax information and see if they are willing to donate an experience, class, or item that is valued at \$200+. For example, I shop at Roots and know the owner and so I will ask her for her support

Donate funds as
a tax write off

03

It may be more beneficial for a business to donate funds as a tax write off and sponsorship opportunities are available. It is a different type of tax write off if a business donates funds directly to a 501c3 and if they do this we will recognize them at the event.

Get together with
friends/classmates

02

Get together with friends/classmates in the community and put together a HHH inspired basket! Some ideas would be art supplies we love (everyone buys one item to contribute) books we love (favorite chapter books or story books) or maybe even a mud kit? You could purchase items or ask for donations for these items.

You have
something to offer

04

You have something to offer! Maybe you can donate a class, experience or an item of value that our community will love participating in or doing. For example, a flower arranging workshop.
